About Origin Scotland

Origin Scotland is a non-denominational Christian organisation with two aims:

- to reach people with the Gospel of Jesus Christ
- to act as an agent of unity in His Church

We are led by a friendly bunch of people. We are overseen by recognised Church leaders.

We're pretty dynamic and are into sharing our faith and meaningful worship. We're always glad to help you in any way we can, so don't hesitate to give us a shout if you have any questions. If we don't know the answers, we're sure we can find someone to help.

We'd encourage you to get involved in ministry while you're here. Your local Christian Union details are found later in this book. Contact them first if you're a student, as they'll be very willing to help. Finding a local church is also vital, so use this book to help out – and let them know you found them in here! That helps us too...

If you're still looking for things to do we have loads of ways to involve you wherever you live. We do large-scale events around Scotland and even overseas, so give us a call!

God bless you in your time here,
and we pray that you will be useful to Him!

O praise the name of the Lord our God
O praise His name forever more
For endless days we will sing Your praise
Oh Lord, oh Lord our God

About this Church Guide

This booklet is provided to you with the compliments of Origin Scotland, and with the prayer and hope that you will quickly settle in to a Christian fellowship in your new city.

There are plenty to choose from, and while this is not a comprehensive list, it is a good place to start. All the churches in this guide are Bible-believing and teaching churches. They have also all expressed a particular willingness to welcome and help students, and would be delighted to see you at their services.

We pray that your time at uni will not only be one of academic achievement, but also of spiritual advance. If you would like to make a donation to support this ministry, you can do this online at originscotland.org.

You can reach us at info@originscotland.org.

Ministry Leader
Origin Scotland

If you love the work we do at Origin Scotland and desire to support our mission, please consider donating today. We are incredibly grateful for your support in helping us make a difference in the lives of these students.

Aberdeen Christ Central

The mission and vision of Christ Central is to Reach the Lost, Disciple the Found, train and release all, for the glory of God. Christ Central is an up-and-coming church planted in a prime location in Aberdeen's Union Square. Having planted two churches (one in Dundee and one starting in Houston) in the last few years, Christ Central is on an exciting journey of re-planting itself with outreach and ministry ventures until the end of the year. If you are not wanting to be lost in the crowd, but looking to grow in your faith practically and theologically, and be involved in reaching the lost and discipleship; playing an active part in the life of a Spirit-filled, Word-based church from the outset, Christ Central will be a good fit for you.

Public Transport: And the 23, 13, 11 and 15 all stop very close to the church. The 15 stops directly outside the church!

Aberdeen Christian Fellowship

ACF is a warm, bible-based church in Aberdeen that cares deeply about living in step with the Spirit, proclaiming the good news and being a part of a faithful community. The oldest to the youngest, men and women, those new to faith and those who are years along their walk with Christ, are all reflected within our ministries. We hold a morning service every Sunday that includes a Bible teaching, worship, prayer, children's church, and fortnightly communion. With prayer, homegroup, men's group and women's group meetings throughout the week, there are always opportunities to deepen relationships with God and take further steps in discipleship. We have a thriving children's and youth ministry as well as a much-loved young adults' group for ages 16-30s. Additionally, with our local and global outreach teams, we are continuously looking to serve those outside the church and to spread the hope that we have in Him. We believe that God has an amazing plan for Aberdeen, and that He wants the local church to be part of it. We also have a website for our young adults' group (ages 16-30s): sites.google.com/view/acfyags/home It has information about what the group does, and it is regularly updated with our upcoming studies and events and some links to past study resources.

Public Transport: The university buses (the 1 and 2) stop about 10mins walk from the church.

Deeside Christian Fellowship

Sunday gatherings start at 10 am. Please check our website / social media pages for details. Deeside as a church exists to Know Christ and Make Him Known. Our passion, desire and goal is to see people meet Jesus and have their lives transformed by Him through His glorious Gospel. We are an eclectic mix of people from every age and stage of life, and by God's grace we see the first fruits of Him gathering a people from every tongue, tribe, and nation to Himself. As a suburban church 6 miles outside the city centre, we tend not to have dozens of students, but those who do head out to Milltimber find a great home from home; with regular expository Bible preaching, a mix of music styles, and more opportunities to serve than there are freebies in Freshers' week! Check out our website for more information and come and visit us in person; we would love to walk through your years in Aberdeen with you as we grow in our love for Jesus together!

Donside Community Church

We are a new church plant based in Tillydrone, only 600m from Aberdeen University. We launched in April 2021 with a vision to be a biblically faithful, missionally engaged community church. We are committed to reaching out with the good news of Jesus and are excited about serving and equipping people (including students!) to grow deeper in their walk with Christ and to reach out to those in their sphere of influence.

Fountain of Love

FOL offers students a place of support and growth. We are passionate about young people, and we dedicate a lot of effort to their development and offer opportunities to nurture their talents. Most importantly, we work towards radiating an atmosphere of love and care that portrays what Christ is all about. You are sure to find endless opportunities to network and find mentors within the church. Testimonial from a student: "The Church has helped improve my spiritual confidence and provided many opportunities to serve. I've built an amazing bond." (P. E). We have a dedicated facility called "Centre" for young people. The multipurpose facility was designed to offer networking and growth opportunities.

Gerrard Street Baptist Church

We are a vibrant evangelical church in the heart of Aberdeen in the beautiful North East of Scotland. Our purpose is to glorify God through the growth of his Kingdom. We see this happening as we help one another be an authentic community of Jesus-followers who take seriously our call to reach those who don't know Jesus yet. Aberdeen is a University city with two thriving universities and a college just round the corner from the church building. It's no surprise that students play a big part of our family at Gerrard Street. However, we also include young adults (non-students and graduates) who play a major role in this group. At the start of the academic year we host a number of welcome lunches. These take place after the morning service and are a great way to get fed with a tasty lunch, meet some of the community, and find out a bit more about the church. We also hold a weekly students' fellowship on Sundays by 6:30pm in the church building and organise student Weekend Getaways. If you are a student looking for a church community to belong to, then one of the student welcome teams would love to buy you a coffee and get to know you better. Come and introduce yourself, or contact us at: office@gerrardstreet.com.

GILCOMSTON CHURCH

An evangelical church making disciples of Jesus through the ministry of the Word

Gilcomston Church

We love that our doors open onto the city's main street! We're here to engage with the world and share with people from every walk of life the good news that Jesus can and really does save.

The simple acronym ACTS sets out what we're about. Attracting people to Jesus by the warmth of our friendship and the edge in our worship; Consolidating them in their faith through clear and contemporary Bible teaching, backed up by weekly 'Community Groups'; Training our people and releasing them into a range of different ministries; and Sending each believer out to share in the mission of Christ - to the ends of the earth!

Are you up for an adventure? Eager to encounter Jesus? Keen to know Him better? Ready to roll up your sleeves and get involved in His work? Then we'll be thrilled to have you among us.

Public Transport

All buses lead here! The church is approximately 10 minutes walk from Aberdeen Railway and Bus Station.

King's Church

King's Church is a vibrant Pentecostal church of around 2000 people serving Aberdeen and Aberdeenshire. We meet in our building in Bridge of Don, which includes a coffee bar and book shop - where around 1000 people gather each Sunday. As a church committed to our city, we have something for everyone from a bustling kids church and youth ministry, to women and men's communities, mid-week connect and grow groups and social action outreach projects. We also run short-term missions, have a dedicated young adults and students community, and love nothing more than seeing people get involved within the life of our church. Our Sunday services include worship, a message, time to pray and respond, communion and of course, coffee afterwards. Follow @kingschurchaberdeen on Instagram and Facebook to see more.

The Mission Church

The 'Mission Church' is a worshipping community united by the love of Jesus and committed to his Mission for the World. We are located right at the heart of Old Aberdeen, just near the university campus. We like to keep things simple: we love people and we love mission. We enjoy having a community of different ages and cultures and backgrounds and do our best to encourage that with informal worship and regular lunches after Church. And we also enjoy supporting Mission, both locally and globally. We pray about it, talk about it, and do it! We're pleased that a number of Christian Student Organisations (AUCU, JustLove, Friends International) frequently use our space for their events, as well as other groups. It's all mission and it all helps grow the Kingdom of God.

For our students, we meet EVERY Wednesday at 7.30 PM. Eating food together is a huge part of how we build community and deepen our fellowship. There is hot (free) food for everyone, every week! We then go into a time of small group discussions, or have a guest speaker or so many other things! Oh, and with some big social events thrown in there too! If you fancy joining us on a Wednesday, come to the Gate Church International and head to the coffee bar down the side of the building. We can't wait to welcome you to our church and Young Adults community! To find out more, feel free to drop us a message on our Instagram - @yam.gci. Most people class Sunday as the last day of their week but when we give it to God, it feels like the best way to START your week! Come and be met with by the Spirit to start your week. The Gate Church International is an established local church, right in the heart of Dundee. We are close to the university and its surrounding student accommodation areas. We are a congregation full of people from all around the world. At The Gate we seek to encounter God's Holy Spirit weekly and deepen our lives in His word. Whilst supporting one another in that journey, we strive to not just keep this to ourselves but to take this beyond the four walls into the surrounding community.

Abbeyhill Baptist Church

A New Season at Abbeyhill.

We are delighted to announce that Andy and Odele Harding have recently been appointed as our pastors. This marks the beginning of an exciting new chapter for our church family.

At Abbeyhill Baptist Church, our heart is to be centred on Jesus, to grow as disciples in community, and to share Jesus in both word and action. This autumn, we will be journeying through the Book of Acts, reflecting on what it means to be the church in today's world. We are in a season of deepening our prayer life, developing authentic community, and pioneering new initiatives. It's an exciting time to come alongside us—to belong, to grow, and to help shape the vision for the future.

Barclay Viewforth Church

Barclay Viewforth is a family church with a heart to see our communities transformed by the love of God. We seek to make God's love known through mission and ministry. We see our church as a 'home from home' for students, and they are included as part of the wider church family, and can get involved in any of the activities and groups the congregation supports. Hospitality to students is approached in a casual way with church members welcoming students into their homes for meals. If you want to feel part of a church family in Edinburgh and want to engage with a mixture of people, then we will be happy to get to know you and look after you!

We are committed to preaching and studying the Bible, and to prayer, as we seek the Holy Spirit's transforming work in our lives. Bruntsfield Evangelical Church

At Bruntsfield we are all about being disciples making disciples of Jesus Christ. We are a people passionate about and committed to the gospel of Jesus Christ, seeing it impact, not only our lives, but the lives of others as we introduce them to the Saviour. We love the Bible and want its message and proclamation to be the driving force in our church. We love the thriving group of students from all over the world who are part of our church family and who have found a spiritual home with us during their time in Edinburgh. We run church lunches occasionally after the morning service and have regular link up lunches with church members. We encourage every student to be in a mentoring one to one discipleship relationship with another church member to read the Bible, share life and and grow together. We have lots of ways for people to be involved at Bruntsfield from the worship band, welcome team, small groups right through to the foodbank that we run on a Friday. We want Bruntsfield to be a place where people don't just consume church but are embraced into a family of believers and are involved in works of service. If you would like more information please do checkout the student area on our website, get in touch or better yet do come and visit us one Sunday morning! We would love to see you!

Capital City Church International

We are a vibrant, Christ-centred, family church who are passionate about God, building authentic relationships together and sharing God's love with others. Our Sunday morning meetings are informal and friendly with contemporary music, biblical teaching, children's ministry, and fellowship together. During the week we meet together for life groups where we get to know one another, learn more about our faith and grow in our relationship with Jesus. We run discipleship courses to introduce people to Jesus and help them to become fruitful followers of Christ. We also like to make the most of every opportunity to connect one on one in people's homes and at our church cafe. We love to welcome students into our community and there are a variety of ways that you can get involved and release your God-given potential. These include the music team, media team, children's ministry, youth work and volunteering at our church cafe. We are also passionate about reaching those students who do not know Jesus yet and we regularly host alpha courses, stories of hope gatherings and social events as opportunities to invite friends. We partner with churches in over 80 nations around the world and connect with students in other churches across the UK and the nations. Our desire is that you become an integral part of the 3Ci family and join us in making Jesus known in the city of Edinburgh and beyond.

Chalmers Church

At Chalmers, we think that the best way to make the most of your time as an undergraduate student is to get to know Jesus better, whether that means getting to know him for the first time, or growing in your relationship with him. We therefore run a number of groups and events for undergraduate students that are specifically designed to enable that to happen. During term time, for example, we run a weekly Bible study called FOCUS, where we study the Bible together and help each other to think through how it applies to student life. Being a student at Chalmers means that you are also part of the wider church family. You will experience that as we gather together as a whole church family on Sundays, as we share meals in various homes, and as we serve alongside each other. We know that it can be daunting to walk into a new church if you don't know anyone, so if it would be helpful, we would love to meet you beforehand and spend some time getting to know you better. To arrange that, or to ask any other questions about student life at Chalmers, please get in touch with Andrew on the email address provided.

Community Church Edinburgh

Many students have questions about faith and God, and often don't find a supportive Christian community to ask, question, wrestle and doubt. In CCE we seek to support students as they ask these questions, to grow in their faith, and find supportive community, where everyone feels heard and valued. We also seek to help students find their place in the wider church, serving, speaking, leading where we can all learn from one-another. Do come along one Sunday and check us out.

Crossroads Church

Crossroads Church Edinburgh is a lively community of students, young adults and families. We love seeing people connect fully with God's purpose for their individual lives.

From our groups of friends, to the streets of Edinburgh, to refugee camps in Europe and remote villages in Asia, we have a passion for sharing the good news about Jesus, and usually send at least 2 mission teams a year somewhere in the world.

Our Sunday morning meetings are informal times with passionate worship, a time in the Word and prayer, and then chatting and sharing tea and dessert around tables. But for us, church doesn't just happen on Sundays. In the Bible, the first church was commissioned to live in community, daily, to worship, to share meals, to praise God together and to reach out to others. We try to live this out with many opportunities to connect during the week, whether through Life Group or just informal get-togethers. The community is friendly, inviting, and would love to have you become a part.

Duncan Street Baptist Church

Studying at University or starting out in a new city can be an exciting adventure but it can also be challenging to find a Church family to settle into. At Duncan Street Baptist Church, we are committed to providing a welcoming and caring environment to help you get to know us and get to know Jesus. If you live in Edinburgh, are new to the city, or even new to Church, we would love to welcome you to any of our services. Our students and young workers have a Bible study on alternate Sunday nights on various issues affecting students. On the weeks that there is no Bible study there is usually a social event with food and fun arranged by some of our team. During the months September and October, we have a student and young workers lunch every Sunday after the morning service. Throughout the remainder of the academic year, meals are less frequent, and often families in the Church will invite students and young workers to join them for lunch in their homes. Several times a year we also have a Church fellowship lunch which we look forward to. We realise that life is busy, particularly for students, but we hope all of our students and young workers will feel welcome to join our wider Church activities like house groups and prayer times. Coming into a new Church building for the first time can be a bit daunting. So, we assure that we will be looking out for you and during the coffee and tea time after each service we will have the opportunity to chat and get to know each other.

These are great opportunities to get to know each other and find ways to encourage each other on our faith journey. King's Church

King's has a vibrant and friendly student community. We love welcoming new students and helping them get stuck into church and life in Edinburgh. Every Sunday after our morning meeting, someone from the wider church will host a free student lunch. This will help you get to know people in church, and is another way of using food to build community! We encourage you to join a midweek small group at King's where you can share life with people of all ages and stages. Small Groups are places you can grow in your faith and find support and encouragement. Our hope is that students become integral parts of life at King's and committed to building the kingdom of God in Edinburgh. That could look like taking discipleship courses, making Alpha happen or joining one of our weekly serving teams. We have missional and community events to help our students look outwards and give back to this amazing city. We want King's to be your home during your time in Edinburgh. We now have a north community gathering that happens in Newhaven every other Sunday afternoon, see website for details.

Public Transport: The 10 and the 27 stop outside our building, with many more stops nearby. Our building is walking distance from most Napier and U of E accommodation.

Wester Hailes Baptist Church

We are an evangelical Baptist church with a mixed congregation of children, young couples and older people, where the gospel is preached each week as we seek to follow closer to Jesus. Students will be made very welcome, and it is hoped to expand our young people's work in the near future. We are easily located just off the Edinburgh City Bypass at the Baberton Junction. We are not too far from Napier University's Sighthill campus, or Heriot-Watt University at Riccarton.

Our congregation is made up of a cross-section of society - young marrieds, children of all ages, young professionals, UK and international students and older people. Several continents are frequently represented in our services! Our worship is simple and reverent. We sing psalms acappella and hymns to piano accompaniment. The expository preaching is contemporary and relevant. In addition to a central meeting for prayer and Bible study, we meet in city groups twice a month. We enjoy providing hospitality and extend a very warm welcome to visitors!

Findlay Church

'Findlay' is an independent evangelical church in Maryhill, situated between Glasgow's City Centre and the West End. The church is unusually set behind a row of tenement flats with an entrance off Clarendon Place at St George's Cross. We are a growing church with people coming together to worship from all walks of life. As a church family, we want to be a place where people are warmly welcomed, and find belonging and a place to grow in their faith. One of the strongest aspects of our church ministry is the work in our local community during the week. The tagline of Findlay is "Making God's Love Visible". Through our Community Hub, in partnership with 'The Haven' and 'Bethany Christian Trust', we are reaching out with the love of Jesus, to those in our community who are caught up in addiction, homeless, or just lonely and isolated. We offer support and help to over 100 people each week through our community work, as well as going out on the streets weekly to connect with people in need. We also have a heart to equip people to be disciples of Jesus wherever God has placed them. We value expository teaching, and want Findlay to be a place where people find joy in using their gifts to serve God and others. Students are a valued part of our church family, and our desire is to bless and care for them while they are at university. You would be welcome to join us!

Greenview Church

Greenview Church seeks to make disciples of Jesus who are being transformed by the gospel of God's grace. We want to be people who are living under the authority of God's Word, are mission-minded, participating together in community and prayerfully dependent upon the Holy Spirit. Along with worship/Bible teaching services, we seek to mature spiritually and serve each other through our Community Groups and prayer ministry and encouragement of intentional one-2-ones. We also run Christianity/Life Explored to help people come to know and understand more about Jesus. We have opportunities to minister to the community through our Coffee Break Community Café, Tots&Co Toddlers work and Warm Spaces. We run weekly ministries with children and youth and there is a student/young adults group that meet regularly for spiritual and social encouragement (and food!) Greenview is independent and elder-led and is also part of the FIEC family of churches. More information is on our website and social media feeds (including information about in-person and online services).

We are a multinational, all-age church family with the vision '... to make and grow disciples of Jesus Christ, seeing lives changed around our doors, in our city, across our nation, and over God's world'. In addition to our Sunday services and fortnightly prayer gatherings, we have small "Growth Groups" that meet across the city throughout the week. We welcome students and encourage them to join our active Young Adults Group and participate in various ministry teams. St Silas Church

At St Silas, we are a congregation with a wide range of ages and backgrounds. We are located in the heart of the West End, close to Glasgow University and we are an evangelical Anglican church. We hope to be a church where people feel welcomed and at home, and find joy and friendship; a church where we are all growing in our knowledge and love of God - through bible teaching, community, worship and prayer, and a church that we can bring our friends to. Roots is our central midweek gathering for young adults and students. The aim is to help people put down their roots in Christ and put down their roots in St Silas through Bible study, fellowship and prayer. Roots meets in St Silas Church Hall on Wednesdays and Thursdays at 7.30pm during term time. For information about what else is happening in St Silas, contact the church or have a look on our website.

Our fellowship is home to students from all over the UK and internationally and represents people from many different nations and church traditions. As a church, we believe students have just as much to offer as any other disciple of Jesus, and therefore, students are encouraged to participate in all areas of church life. Our home groups are intergenerational, and students are welcome in every group; however, there is one group that is primarily young adults. Regardless of what home group (if any) a student ends up in, TCF is committed to each individual's discipleship and wants to see them grow in their relationship with Jesus Christ.

The King's House

The King's House, a Newfrontiers church, is a group of fifty adults and children who meet on a Sunday morning to enjoy God and each at the North Inch Community Campus in the heart of Perth. Reflecting the values of Newfrontiers, we believe in the authority of God's word in the Bible and in the reality of God's presence by his Spirit. We have a passionate commitment to build the church according to New Testament principles, in which each member is able to participate, the gifts of the Spirit are outworked, where there is joy in caring for one another and a desire to make a difference in society and to reach out to those in need through CAP and Safefamilies.
